5061	I heard you don't like Tom.
5062	I can't forgive Tom.
5063	Give me your word you'll take care of Tom.
5064	I am not feeling too well.
5065	Reading between the lines, it's clear that Tom isn't having such a good time in his new job.
5066	We have to save him immediately.
5067	We must help him immediately.
5068	Can you teach me to fly?
5069	I received a telegram from her.
5070	You're stronger than Tom is.
5071	I was totally wrong.
5072	She's a bit naive.
5073	The woman who answered the phone spoke French.
5074	Sometimes our prayers aren't answered the way we want them to be.
5075	Tom came home drunk last night.
5076	Tom came home yesterday.
5077	Don't call her that.
5078	Keeping Mario in a state in which he can throw fireballs is a delicate process; that newfound power sometimes makes one cocky and careless.
5079	I hate funerals.
5080	What's happened to us?
5081	I read the book up to page 80 yesterday.

5082	This story has a happy ending.
5083	How deep is this well?
5084	I had a stroke.
5085	Tom ran over someone's dog.
5086	I'm going to give you something.
5087	I think Tom and Mary are in love.
5088	Tom is more experienced in business than I am.
5089	I'm a tourist.
5090	As soon as she is ready, give me a call.
5091	Tom told me you were sick.
5092	I have to answer the phone.
5093	Do you know who took the call?
5094	I don't want to speak with you.
5095	I don't agree with you on this point.
5096	Why should I lie?
5097	I'm simply stating a fact.
5098	Tom looks very worried.
5099	Do you think I'd look good with a mustache?
5100	Would I look good with a mustache?
5101	You don't need that.
5102	Who composed this music?
5103	Do you like modern music?
5104	I like country music.
5105	I can't live without music.
5106	Tom doesn't like loud music.
5107	None of Tom's classmates liked him.
5108	Tom fell silent.
5109	From the hill we can have a beautiful view of the sea.
5110	We're cooking.
5111	You didn't tell me you worked for Tom.
5112	We're searching for a solution to the problem.
5113	Tom helped Mary escape from the kidnappers.
5114	I don't like that very much.
5115	I don't like cats very much.
5116	Actually, I don't like Tom very much.
5117	Thank you all very much.
5118	I never understood why Tom liked Mary so much.
5119	You eat too much.
5120	You complain too much.
5121	You've drunk too much.
5122	Tom has no desire to go to the movies.
5123	I seldom go to the movies.
5124	Do you know how it works?
5125	Did Mary really die? Or is that a rumor?
5126	Could you tell us what happened?
5127	She has a large office in this building.
5128	Tom had ulterior motives.

5129	Don't tell my mother.
5130	I'm a single mother.
5131	I killed the mosquito.
5132	See you tomorrow morning.
5133	The drug smuggler was arrested at the airport.
5134	Tom was tarred and feathered by the crowd.
5135	It'd be better if you would come with me.
5136	Many people were there.
5137	Italian cuisine is popular around the world.
5138	Tom thinks he can save the world.
5139	With the release of Skype, studying languages has become easier.
5140	It was sunny this morning.
5141	Tom got up early this morning.
5142	You'll never guess who I saw this morning.
5143	You can't imagine how happy I am.
5144	We don't have a garden.
5145	Both of them are busy.
5146	I miss the good old days.
5147	Can't you give me a little more?
5148	You know I can't wait any more.
5149	A lot of soldiers died here.
5150	I've already thought of that.
5151	Tell me what she told you.
5152	Tell me what he told you.
5153	Tell her what she told you.
5154	Tell her what he told you.
5155	Tell them what I told you.
5156	I thought I would be nervous, but I was cool as a cucumber.
5157	He thought maybe this was a trick.
5158	Blessed are the ignorant.
5159	Tom gave a speech.
5160	Juanito has four sisters.
5161	Her name was not known.
5162	The bank is closed.
5163	Tom never talks about his feelings.
5164	The English alphabet consists of twenty-six letters.
5165	If you have questions, don't hesitate to ask them.
5166	Are you saying Tom is a thief?
5167	It was only a suggestion, not an order.
5168	That's quite logical.
5169	She stared at him in astonishment.
5170	Tom is such a malingerer that you can't count on him to get anything done, no matter what promises he makes.
5171	It must be removed.
5172	I have learned a lot from this conversation.
5173	Seeing my collection of frogs would make your hair stand on end.
5174	I got into Harvard.

5175	Where did you learn how to do that?
5176	Some children are playing on the grass.
5177	We lost radio contact.
5178	Our plane was dangerously approaching the Turkish Airlines airliner.
5179	This is the world's most costly earthquake.
5180	She stared at him with hatred.
5181	I am the boss in my office.
5182	She taught him how to play the piano.
5183	He turned pale with fright.
5184	Where does Tom live now?
5185	Tom would like to know what's going to happen.
5186	Mike has two girl friends.
5187	Suicide is a desperate act.
5188	Both planes were flying at the same altitude.
5189	Is she single or married?
5190	This is somebody else's problem.
5191	I was the only one not invited to the party.
5192	There is a pair of scissors on the desk.
5193	The road's in bad condition.
5194	How much time do you have?
5195	When will you return to Italy? "I will return next year."
5196	When will you be in Boston?
5197	My ancestors are from Germany.
5198	Do you have any questions for me?
5199	Were you looking for me?
5200	We have until tomorrow morning.
5201	Tom, do you hear me?
5202	Tom, can you hear me?
5203	Were you listening to me?
5204	Did you lie to me?
5205	Have you lied to me?
5206	Why were you keeping it a secret from me?
5207	Are you trying to blackmail me?
5208	Why are you insulting me?
5209	Tom, I'm in the basement.
5210	OK, you win.
5211	Liquids are heavier than gases.
5212	Tom's my cousin.
5213	Tom promised he wouldn't do that.
5214	Nobody will force you to do that.
5215	I forgot to do that.
5216	I knew you wouldn't want to do that.
5217	I knew Tom wouldn't want to do that.
5218	Tom didn't want to do that.
5219	Where's Tom been the last few days?
5220	The two roads join here.
5221	Was there anybody else besides Tom?

5222	It's always a pleasure to talk with Tom.
5223	How was your date with Tom?
5224	I'll come back home at ten.
5225	She is almost sixty years old.
5226	Where did you get all that money from?
5227	Eat fruit!
5228	There are no stupid questions.
5229	You made a big mistake.
5230	We saw you.
5231	We shook hands.
5232	We've got to hurry.
5233	I was looking for you.
5234	I was looking for Tom.
5235	Tom asked Mary where she wanted to go.
5236	Tom asked Mary what she was afraid of.
5237	So, what did you want to talk to me about?
5238	Being overly generous is his greatest fault.
5239	They'll be here in ten minutes.
5240	Tom's a great actor.
5241	That's a convincing explanation.
5242	Mary isn't going out with Tom, she's going out with Konrad.
5243	Where did you hide them?
5244	They made mistakes.
5245	He has already begun.
5246	Tom got out of the taxi.
5247	I won't be ready.
5248	I get bored quickly in everything I do.
5249	The drinks at Tom's daughter's wedding cost him a packet.
5250	The drinks at Tom's daughter's wedding cost him a bundle.
5251	Tom asked several people the same question.
5252	Tom didn't do anything.
5253	I don't have enough space to store these boxes.
5254	I want to show you something first.
5255	The dog chewed on the bone.
5256	My daughter is to get married in June.
5257	Just you try!
5258	No student was able to answer the question.
5259	Just try it.
5260	If you eat well, exercise and drink lots of water daily, you'll still die someday.
5261	I don't want anyone to find where we buried the treasure.
5262	I'll see what else I can do to help.
5263	Tom became a soldier.
5264	Tom became a successful lawyer.
5265	It won't make any difference.
5266	That will change nothing.
5267	That won't make any difference.
5268	Tom gave me something to read.

5269	She's not talkative.
5270	He promised not to tell that to anyone.
5271	I can't blame Tom for not wanting to come.
5272	I don't understand this country.
5273	Tom says that he's allergic to school.
5274	Quit lazing around and get moving!
5275	I've come here to study Chinese.
5276	What's your favorite book?
5277	Tom let the prisoner escape.
5278	My father keeps pigeons.
5279	I didn't know the truth until yesterday.
5280	Tom would've liked what you said.
5281	You're old enough to understand.
5282	Thanks for the meal.
5283	We bought a comfortable new armchair.
5284	Today, I'm finally going to tell Tom what I really think of him.
5285	Let's go and see Tom.
5286	I will probably get up early tomorrow.
5287	Tom pointed to the map on the wall.
5288	I'll go find a pen.
5289	You are here in order to obey my commands.
5290	That's pretty surprising.
5291	He bought her a sweater.
5292	I can't raise our daughter alone.
5293	Do not judge so that you will not be judged.
5294	I think Tom was bluffing.
5295	I won't smoke from today on.
5296	There's a website that makes it easy to compare prices.
5297	I know you want to be rich.
5298	How many years did the Hundred-Year War last?
5299	How many years did the Hundred Years' War last?
5300	Death is the fate of all people.
5301	I hid myself under the bed.
5302	I have plans tonight.
5303	Is your brother's name Aleksei?
5304	Although the unemployment problem can't be ignored, the environment problem is also very important.
5305	He's a reliable man.
5306	We placed a white tablecloth over the table.
5307	Wounds heal, scars remain.
5308	We found the stray dog and decided to keep it.
5309	They earn their living by collecting and selling old newspapers.
5310	There is no wine in that bottle.
5311	He put milk in his coffee.
5312	They drink a lot of lemonade.
5313	I got nine on my chemistry test. And you? "The same."
5314	If you are not firm with the children, they will get out of hand.

5315	Tom refused to allow Mary to go to the party.
5316	It will be hard to sweep these crumbs.
5317	Because of his passion for indigenous Mexican art, he spends his weekends in Tlaxcala or Teotihuacan looking for good specimens of small statues.
5318	He could not stand being kept waiting so long.
5319	If there was no sun, we would not be able to live.
5320	I have no homework today.
5321	Tom fixed the roof of his house just yesterday.
5322	I don't think he is right.
5323	I don't think that he's right.
5324	She came into the room.
5325	Nobody reads long messages.
5326	Typing capital letters on a computer is somewhat tedious.
5327	She bought a Chinese fan.
5328	Don't forget your passport.
5329	Many people are allergic to peanuts.
5330	I never concealed anything from you.
5331	Tom refused to pay.
5332	We'll wait patiently.
5333	I did my homework.
5334	Tom begged us to be patient.
5335	Tom sharpened the pencils.
5336	You speak English like a native.
5337	You must tell us.
5338	We're listening to music, and you?
5339	We're starting to work today.
5340	I'd like to tell her that I love her.
5341	I took the photo.
5342	Tom and Mary were speaking in French when John entered the room.
5343	We should not lose hope.
5344	My sister was in New York a year ago.
5345	Don't sign the contract in pencil.
5346	We have a nice love story about ourselves.
5347	Who cares what they think?
5348	Please take good care of yourself.
5349	They need to find an apartment in the city.
5350	They found each other.
5351	Tom is taking his final exam.
5352	He was left behind.
5353	She was left behind.
5354	I have to write a letter. Do you have some paper?
5355	Tom smiled, but didn't respond.
5356	Your CV has really impressed me.
5357	Your résumé has really impressed me.
5358	How about a snack?
5359	Your password has just been changed.
5360	Get away from here.

5361	A strange feeling came over me.
5362	Please pass me the butter.
5363	Butter is made from cream.
5364	A one-way ticket to Birmingham, please.
5365	I'm looking forward to the party.
5366	Tom goes to school by foot.
5367	I'll take care of the horses.
5368	I've been invited there, too.
5369	Why didn't you warn Tom?
5370	Tom won't go alone.
5371	Many weeds were growing among the flowers.
5372	What do you care?
5373	What do you care what I do?
5374	I'm sure Tom would agree with me.
5375	I like almonds, but not peanuts.
5376	There are errors in this phone bill.
5377	Boris has a difficult time distinguishing good wines from bad, especially after a few glasses.
5378	They're married.
5379	The most important thing in life is having a lot of money.
5380	That man is strong.
5381	He proposed that we take a small break.
5382	The operation had to be kept secret.
5383	He prefers fish to meat.
5384	I'm happy with that.
5385	Did anybody other than Jim see her?
5386	Does she have a big nose?
5387	I don't like to talk about myself.
5388	He warmed his hands.
5389	They named their cats Tom and Jerry.
5390	You didn't teach me.
5391	It's summer already.
5392	Is he lying? "Obviously."
5393	That candidate deserves our support.
5394	I'm very sorry, but we don't know each other.
5395	I won't give up because I have something worth fighting for.
5396	The tree's roots extend deep into the earth.
5397	The Rosetta Stone was found in 1799.
5398	He showed up when we least expected it.
5399	She lives with her dad.
5400	The school's gates open at 8 o'clock.
5401	Don't bury your head in the sand.

5402	The problem with fundamentalists insisting on a literal interpretation of the Bible is that the meaning of words change. A prime example is 'Spare the rod, spoil the child'. A rod was a stick used by shepherds to guide their sheep to go in the desired direction. Shepherds did not use it to beat their sheep. The proper translation of the saying is 'Give your child guidance, or they will go astray.' It does not mean 'Beat the shit out of your child or he will become rotten', as many fundamentalist parents seem to believe.
5403	Women commonly live longer than men.
5404	I enjoy taking pictures.
5405	I gave him a book.
5406	Bob could not control his temper.
5407	My name is Rahul.
5408	I am not sure if I can do that but I will at least try.
5409	If you don't hurry, you'll miss the last train.
5410	Gasoline is scarce around here.
5411	Did you know that Tom doesn't like chocolate?
5412	I'm busy preparing for the trip.
5413	I would like you to sing a song.
5414	The car is old, but it is good.
5415	The car is old but good.
5416	She refused to help me.
5417	I brushed her hair.
5418	I brushed my hair.
5419	He was looking at you.
5420	She was looking at you.
5421	I think he was looking at you.
5422	I think she was looking at you.
5423	He was looking at her.
5424	She was looking at him.
5425	It doesn't work that way.
5426	Hamlet is Shakespeare's play.
5427	You're asking what I'll do in the last hours before the end of the world. I'll probably take out the garbage and clean up the apartment, and you could come and help me with it.
5428	I hope you know that, Tom.
5429	Which would you rather do, eat at home or eat out?
5430	Tom says that he's still hungry.
5431	Tom and Mary passionately kissed each other.
5432	Can I talk to Tom?
5433	I wonder what we can do to help them out.
5434	You look worn out.
5435	I figured that out.
5436	Maybe we can work it out.
5437	This is my business card.
5438	Tom took the candle from Mary and blew it out.
5439	Don't throw it out.
5440	Tom always had to do everything himself.

5441	She is swimming in the river.
5442	Do no harm to others.
5443	I love to help others.
5444	Where were the others?
5445	What do you do for others?
5446	Mother made me a new suit.
5447	We shouldn't have gone there by ourselves.
5448	I think we can do this by ourselves.
5449	I passed out.
5450	Come and help me out.
5451	The truth will come out.
5452	I've been trying to figure something out.
5453	They embraced each other.
5454	Tom and Mary embraced each other.
5455	Tom and Mary waved to each other.
5456	They can help each other.
5457	Tom and Mary were able to help each other.
5458	Always write legibly.
5459	My favorite color is orange.
5460	You look like an orangutan.
5461	It'll be a long ordeal.
5462	I paid Tom one hundred dollars.
5463	Everything was in order.
5464	They obeyed orders.
5465	We have to obey orders.
5466	She felt the warmth of the sun on her skin.
5467	The water was icy cold.
5468	Are you getting bored?
5469	Tom smelled something.
5470	My mother was crying.
5471	How many gallons does it take to fill your tank?
5472	I have the video.
5473	Japanese is my mother tongue.
5474	My mother tongue is Japanese.
5475	My native language is Japanese.
5476	I think Tom is happy.
5477	She has a cat and two dogs.
5478	Is it that hard?
5479	Do you believe in horoscopes?
5480	The pass is only valid for two weeks.
5481	I finished my work at six o'clock.
5482	He bought himself a dog.
5483	A great responsibility lies on his shoulders.
5484	You could've heard a pin drop in the restaurant after Mary slapped Tom in the face, threw a glass of wine over him and stomped out.
5485	It's been a long time since I've seen Tom.
5486	She has a crush on Justin Bieber.

5487	I'm out of ideas.
5488	Are you shy?
5489	This substance conducts electricity well.
5490	I'm sorry you had to do that.
5491	You should've turned right.
5492	How did Tom get rich?
5493	They wash their hands.
5494	The train went off the rails.
5495	Can you count to ten in Chinese?
5496	I am honored to be in the timeless city of Cairo, and to be hosted by two remarkable institutions. For over a thousand years, Al-Azhar has stood as a beacon of Islamic learning, and for over a century, Cairo University has been a source of Egypt's advancement.
5497	I had never thought about it.
5498	I had never thought about that.
5499	This is a tropical storm. It'll be over soon.
5500	Don't talk to me while I'm working.
5501	Tell them to hurry up.
5502	Do you mind if I ask you a couple of questions?
5503	Your lips look very kissable.
5504	I needed that money to buy a gift for Tom.
5505	I'd never go out with a married woman!
5506	Dinner was incredibly boring.
5507	Someone has to help me.
5508	Being rich isn't enough.
5509	The life span of a butterfly is short.
5510	Girls are crazy.
5511	I sent some money to Tom.
5512	Tom gave Mary a hug.
5513	He has 12 sons.
5514	Whom did you meet?
5515	The temperature's fallen below zero.
5516	I bought this dress at a low price.
5517	I subscribe to two newspapers.
5518	You've done your job.
5519	Tom's room is ready.
5520	We usually have lunch at noon.
5521	I put a brick on top of the rubbish bin so the wind wouldn't tear it open.
5522	You brought him some cognac?
5523	We're waiting for his return.
5524	They did their job.
5525	Tom came to save me.
5526	I don't think television will take the place of books.
5527	Don't do that. It's not your job.
5528	That sounds sensible.
5529	His answer is different from mine.
5530	He did that on purpose.

5531	What makes you think he doesn't like his new job?
5532	Tom wants the same thing you do.
5533	The nurse handed Tom some pills and he took them.
5534	Tom told me that he was planning to study abroad.
5535	Tom lied about being able to speak French.
5536	She is my mistress!
5537	Windy this morning, isn't it?
5538	To whom are you referring?
5539	This particle turns a noun into a verb.
5540	In this case, the adjective goes before the noun.
5541	My computer sometimes shuts down suddenly.
5542	Tom picked up some snow, made a snowball and threw it at Mary.
5543	Mosquitoes carry malaria.
5544	I feel we shall win.
5545	Rabbits have long ears.
5546	She smiled at her baby.
5547	I don't like big desk lamps.
5548	I would like to learn to play the piano, guitar and flute.
5549	I would like to learn to play the piano, guitar or flute.
5550	My wife arrived in the airport at seven o'clock.
5551	To your future!
5552	They love you all.
5553	Tom isn't schizophrenic.

6143	It's a terrible problem.
6144	Take them with you.
6145	Take him with you.
6146	Take her with you.
6147	What time did that happen?
6148	Why didn't you help him?
6149	Where do you think I should go?
6150	Is this your beer?
6151	We are three points ahead of their team.

6283	You're here to follow my orders. "In your dreams, pal!"
6284	And in any case, if it is written that we must die, we shall at least die together.
6285	Am I talking to myself?
6286	Does Tom talk about us?
6287	Great! I'll grab my stuff! "There is no stuff." "I guess I'd better get my smart sword then." "There is no sword." "Huh? Oh, right. That old Ganon is conquered with the Book of Koridai." "There is no Book." "Howâ€™ lâ€™ Butâ€™ Ganon?" "There is no Ganon." "Then what the duck conquered Koridai?" "There is no Koridai." "Zelda, are you hearing this?" "There is no Zelda." "King?" "There is no King." "No..." "There is no Link." "Oh daâ€™"
6288	I'm allergic to dust.
6289	Please talk to me, Tom.
6290	We can talk on the way.
6291	We need to talk to you.

6301	I like to finish what I start.
6302	I like to laugh.
6303	I like to look at old pictures.

6323	Don't leave me alone, please.
6324	I need to speak to Tom alone.
6325	I'll be home alone all night.
6326	Please make five copies of this document.
6327	Let me go talk to Tom.

6335	Are you in love with her?
6336	How long has Tom been in love with you? "Tom is not in love with me. He's my friend."
6337	I'm not going to let you go back to Boston.
6338	I told Tom Mary wouldn't accept the gift.
6339	You're quite an artist.

6353	I didn't forget about you.
6354	Tom told me to take good care of you.
6355	Tom told me that he would leave soon.

6415	Don't you want to stop her?
6416	I just remembered that I was supposed to buy a loaf of bread.
6417	We've learned our lesson.
6418	We're both crazy.
6419	This is the project I will be working on.
6420	Tom is tolerant.

6445	Aren't you in town?
6446	You're in trouble.
6447	Are you in debt yet?
6448	Let's go back to Australia.
6449	Dan ridiculed Linda in the presence of her parents.
6450	Dan has never taken change well.
6451	It's far-fetched.
6452	Bear in mind that you're a guest here and should behave accordingly.
6453	I won't eat this.
6454	I need a pencil. Can I use one of yours?
6455	I am a graduate student.
6456	You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.
6457	This was avoidable.
6458	That could've been prevented.

6500	Look what you did.
6501	Has someone died?
6502	Tom is next.
6503	Tom is new.
6504	I have something I have to talk to you about.
6505	You'll be punished for this.
6506	The exam was difficult.
6507	Tom made dinner.

6508	Fear of failure prevents many people from reaching their full potential.
6509	You're invited to dinner.
6510	It's a bad disease.
6511	It's disgusting.
6512	We have other things to do.
6513	What more can I do?
6514	We have to get dressed.
6515	I don't think we'll be able to solve this problem by ourselves.
6516	Are you married or single?
6517	There are a lot of big cities in Brazil.
6518	I almost never drink.

6523	Tom has good manners.
6524	You were definitely drugged.
6525	He was surprised by the sudden appearance of his friend.
6526	Have you ever eaten an insect?
6527	I think I know what the problem is.
6528	We'll all soon be drunk.
6529	We weren't drunk.
6530	My throat's a little dry.
6531	We were dumbfounded.
6532	Try to come early.
6533	We have more than enough.
6534	Tom handed Mary a large envelope.
6535	Tom has escaped.
6536	I convinced everyone.
6537	Tom was the only one who wasn't at the party.
6538	Did you understand everything?

6547	Who's your father?
6548	The smell's making me sick.
6549	I'll come by ferry.
6550	We've already finished.
6551	Don't mess with fire.
6552	You're not the first.
6553	I travel frequently.
6554	Tom and Mary were discussing the pros and cons of raising the minimum wage.

6562	She's my age.
6563	Are you handicapped?
6564	Guess what happened.
6565	I don't know what Tom wanted.
6566	I think Tom forgot his camera.
6567	Who threw the bottle?
6568	Ask Tom to bring his guitar.
6569	Dan was pushed under a moving train.
6570	Tom seems surprisingly calm.
6571	Don't call us, we'll call you.
6572	Each face of a polyhedron is a polygon.
6573	It seems I forgot my wallet at the supermarket.
6574	Smoking is not allowed inside the elevator.
6575	They could've killed you.
6576	I don't want it to happen.
6577	Can you tell me what you saw?
6578	My father used to whale on me whenever he got drunk.
6579	What is this? This is a car.
6580	The listeners had already begun to yawn.
6581	I can't find the keyhole.
6582	I bet I get there before you.
6583	I assure you everything will be ready on time.
6584	Hurry up, it's late.
6585	I don't know where my French textbook is.

8097	Who says I'm afraid of her?
8098	Who says I'm afraid of him?
8099	Who says I'm afraid of them?
8100	Who says I'm afraid of you?
8101	I'm not afraid of her.
8102	I'm not afraid of him.
8103	I'm not afraid of them.
8104	Why are people afraid of her?
8105	Why are people afraid of him?
8106	Why are people afraid of me?
8107	Why are people afraid of them?
8108	Why are people afraid of us?
8109	Are you afraid of her?
8110	Are you afraid of him?
8111	Are you afraid of them?
8112	Are you afraid of us?
8113	You're trying my patience.
8114	Did you tell Tom about your problems?
8115	Why didn't you stop her?
8116	Why didn't you stop him?
8117	Stop her.
8118	Stop him.
8119	Can't you stop them?
8120	Can't you stop him?
8121	Can't you stop her?
8122	Did you stop them?
8123	Did you stop him?
8124	Did you stop her?
8125	Can you stop them?
8126	Can you stop him?
8127	Can you stop her?
8128	How do we stop him?
8129	How do we stop her?
8130	I wanted to stop them.
8131	I wanted to stop him.
8132	I wanted to stop her.
8133	Don't you want to stop them?
8134	Don't you want to stop him?
8135	Do you want to stop them?
8136	Do you want to stop him?
8137	Do you want to stop her?
8138	I'm trying to stop them.
8139	I'm trying to stop him.
8140	I'm trying to stop her.
8141	I didn't try to stop them.

8142	I didn't try to stop him.
8143	I didn't try to stop her.
8144	We tried to stop him.
8145	We tried to stop her.
8146	Tom is going to kill all of us.
8147	We need to stop him.
8148	We need to stop her.
8149	You have to stop him.
8150	You have to stop her.
8151	We have to stop them.
8152	We have to stop him.
8153	We have to stop her.
8154	Somebody has to stop you.
8155	Somebody has to stop them.
8156	Somebody has to stop him.
8157	Somebody has to stop her.
8158	I had to stop them.
8159	I had to stop him.
8160	I had to stop her.
8161	You've got to stop them.
8162	You've got to stop him.
8163	You've got to stop her.
8164	We've got to stop him.
8165	We've got to stop her.
8166	I've got to stop you.
8167	I've got to stop them.
8168	I've got to stop him.
8169	I've got to stop her.
8170	Who's going to stop them?
8171	Who's going to stop him?
8172	Who's going to stop her?
8173	We're not going to stop them.
8174	We aren't going to stop them.
8175	Tom isn't going to stop us.
8176	Tom isn't going to stop them.
8177	Tom isn't going to stop me.
8178	They're not going to stop you.
8179	They're not going to stop him.
8180	They're not going to stop her.
8181	I'm not going to stop them.
8182	I'm going to stop him.
8183	I'm going to stop her.
8184	How are you going to stop them?
8185	How are you going to stop me?
8186	How are you going to stop him?
8187	How are you going to stop her?
8188	What can we do to stop them?

8189	What can we do to stop him?
8190	What can we do to stop her?
8191	You can't stop them.
8192	You can't stop him.
8193	You can't stop her.
8194	We can't stop you.
8195	We can't stop them.
8196	We can't stop him.
8197	We can't stop her.
8198	I know you can't stop us.
8199	I know you can't stop them.
8200	I know you can't stop me.
8201	I know you can't stop him.
8202	I know you can't stop her.
8203	I couldn't stop him.
8204	I couldn't stop her.
8205	Why didn't somebody stop us?
8206	Why didn't somebody stop them?
8207	Why didn't somebody stop me?
8208	Why didn't somebody stop him?
8209	Why didn't somebody stop her?
8210	We'll stop him.
8211	We'll stop her.
8212	I'll stop them.
8213	I'll stop him.
8214	I'll stop her.
8215	How do I stop them?
8216	How do I stop him?
8217	How do I stop her?
8218	How can I stop them?
8219	How can I stop him?
8220	How can I stop her?
8221	Nobody can stop you.
8222	Nobody can stop us.
8223	Nobody can stop them.
8224	Nobody can stop me.
8225	Nobody can stop him.
8226	Nobody can stop her.
8227	We've got to try and stop them.
8228	We've got to try and stop him.
8229	We've got to try and stop her.
8230	I've never had those kinds of problems.
8231	That's the only problem.
8232	Do you have a problem with me?
8233	Please join us.
8234	Can you give me Tom's address?
8235	Tom's wife is also a scientist.

8236	I think Tom came to Boston when he was young.
8237	I should've never gone to Boston without you.
8238	I should be in Boston before noon tomorrow.
8239	We were trying to impress Tom.
8240	Tom, I have the feeling we're speaking different languages. "Đ\$Ń,Đ¾ Ń,ŃŃĐĐ°Đ·Đ°Đ»Đ°, ĐœŃŃ€Đ,?"
8241	It's good to know that Dan no longer dates Linda.
8242	This joke was long overdue to be translated.
8243	It's high time you spoke up.
8244	I feel we're speaking two different languages.
8245	I feel we're speaking different languages.
8246	I feel we speak different languages.
8247	I feel we speak two different languages.
8248	I feel we're speaking a different language.
8249	I feel we speak a different language.
8250	I should've stayed in Boston.
8251	Tom had barely enough money to pay his bills last month.
8252	Did you get Tom's message?
8253	Tom and I have some unfinished business.
8254	I still say it wasn't a good idea.
8255	I'm inclined to think that you're right.
8256	That, of course, does not mean that they are right.
8257	She ordered the book from London.
8258	Do you think Mary is too fat to be a cheerleader?
8259	Tom made a funny face.
8260	I'd rather not go into it.
8261	Tom has access to the information we need.
8262	We are near awakening when we dream that we dream.
8263	Dan is not a member of your club.
8264	You can ask Tom yourself.
8265	Doesn't Tom remind you of John?
8266	Tom isn't fat.
8267	Do you see the rose?
8268	I'm sure he'll pass the coming exam.
8269	I know a girl who speaks English well.
8270	Tom doesn't like having to admit that he can't read.
8271	Don't tell anyone I'm here.
8272	Don't tell anyone that I'm here.
8273	Tell us about your family.
8274	Tom and I are Canadians.
8275	I've seen the way she looks at you.
8276	I caught them by surprise.
8277	This is all I need.
8278	I'll give him a piece of advice.
8279	You get more handsome every year.
8280	Who are you with?
8281	Let's hit the hay.

8282	This is a fake.
8283	The cat meowed.
8284	Can we come in?
8285	Hi, come on in.
8286	We'll fix this.
8287	I'm so happy for you two.
8288	Why are you all so happy?
8289	We're both professionals.
8290	I've always wanted to learn how to play the mandolin.
8291	Did you hear about what happened in Boston yesterday?
8292	All three of my brothers are now somewhere in Boston.
8293	I've already told everyone that I'm moving to Boston.
8294	What I really want to do is to ask Mary for a divorce.
8295	Don't tell me you threw it away.
8296	Can you tell us what's going on?
8297	Can you explain something to me?
8298	Can you drive me to the airport?
8299	I heard you two had a big fight.
8300	Is this your equipment?
8301	Dinner is on the table.
8302	Are you wearing makeup?
8303	Are you a psychologist?
8304	You said you wanted to ask me something.
8305	Can you remember where this all started?
8306	I don't know what more I can do for you.
8307	You owe me nothing.
8308	Stay in here, please.
8309	We've done nothing.
8310	We have done nothing.
8311	Who told you to come here?
8312	They told me to wait here.
8313	Tell me about your family.
8314	Gin is not my friend.
8315	Tom had a strange dream last night.
8316	I've come to ask for your help, Tom.
8317	I need to be more careful.
8318	I'm not going to fire you.
8319	My pet bear always sleeps on the floor by my bed, right under the portrait of Putin.
8320	Tom has just confessed to killing Mary.
8321	Now it is his turn.
8322	I thought we were friends.
8323	How did you write your name in Arabic?
8324	His good health enabled him to work till the age of seventy-five.
8325	Let's have fun!
8326	The poet writes poems.
8327	I'm not singing.
8328	They are standing there and eating potato chips.

8329	She knows where we live.
8330	Deliver this message.
8331	He asked me for my phone number.
8332	Tom told me he didn't get enough sleep.
8333	We're ready to go.
8334	You probably don't remember me.
8335	Mr. Smith had three sons who became engineers.
8336	We began to kiss.
8337	Try to keep your eyes open.
8338	I ask about apples, and you answer me about pears.
8339	Try to stay awake.
8340	Try not to be late tomorrow.
8341	Dan has many friends on this website.
8342	I can tell Mary everything.
8343	Tom is in horrible shape.
8344	I saw the news.
8345	Tom translates slowly.
8346	I buy newspapers every day.
8347	We have an unscheduled stop.
8348	They started kissing.
8349	If I had money, I'd buy a computer.
8350	Tom has been driving without a license since he was thirteen.
8351	Tom hates to work late on Friday.
8352	There will come a day when you regret it.
8353	At what age do you want to get married?
8354	Let's do this later.
8355	I've never heard of him before.
8356	It was your mistake.
8357	We both saw it.
8358	I had a serious accident.
8359	Tom excused himself for being late.
8360	Keep your mouth shut and your eyes open.
8361	Just talk to me.
8362	I knew you'd like Boston.
8363	We won't say a word.
8364	Many Jews were expelled by the Germans.
8365	I think you're the one who's mistaken.
8366	Can I borrow your toy?
8367	That's my song!
8368	Tom seems to want to say something.
8369	He jumped into the train.
8370	Galileo Galilei is one of the most famous astronomers in history.
8371	When spring arrived, the snow melted.
8372	Tom can't decide where to go.
8373	That's opportunism, pure and simple.
8374	Were you looking at her?
8375	Were you looking at him?

8376	The five human senses are sight, hearing, smell, taste and touch.
8377	It's he, isn't it?
8378	It's him, isn't it?
8379	He isn't our enemy.
8380	I'm looking for a present for my mother.
8381	Tom has a great sense of humour.
8382	We don't even know them.
8383	You don't have to do that if you don't really want to.
8384	I didn't know what was in the envelope.
8385	How many people have you had sex with in the last year?
8386	Millions of people were living in poverty after the earthquake.
8387	I usually went to the movies on Sunday.
8388	My boyfriend was crying.
8389	I got cold, so I turned on the heater.
8390	They look very happy together.
8391	It isn't a fish.
8392	Tom has a lot of good qualities.
8393	The Middle Ages lasted 1000 years.
8394	Go to your spot.
8395	Did they suffer?
8396	Can it be fixed?
8397	Give me a boost.
8398	I have one more.
8399	Are you wealthy?
8400	Are you unlucky?
8401	I'd die if anything happened to you.
8402	I'm really sorry that I lied to you.
8403	Please tell me what I'm doing wrong.
8404	I've always considered you a friend.
8405	We've never done it this way before.
8406	I really don't know what to suggest.
8407	You do know how to drive, don't you?
8408	We need to talk about what happened.
8409	Nothing bad's going to happen to me.
8410	I don't really know how it happened.
8411	We'd like to ask you some questions.
8412	Can you answer the question, please?
8413	Can I ask you a couple of questions?
8414	Would you mind cooking something for us?
8415	There's something strange going on here.
8416	There's nothing to be afraid of anymore.
8417	There's definitely something wrong here.
8418	It's like nothing I've ever seen before.
8419	It seems like there's something missing.
8420	I've got something I'd like to give you.
8421	I didn't say you were going to enjoy it.
8422	I don't know what more I can do to help.

8423	I had no idea what you were looking for.
8424	Do you really think I had something to do with that?
8425	Did you notice how many pictures were on the mantel?
8426	I had to make a choice between chocolate and vanilla.
8427	I didn't know who was going to meet me at the airport.
8428	I've got a hunch something might be happening tonight.
8429	I think we can make it to Boston in about three hours.
8430	I can go a couple of days without eating if I have to.
8431	You'll have to stay in the garage.
8432	Maybe you shouldn't be doing that.
8433	You didn't tell me this was yours.
8434	What can you tell us about Boston?
8435	They'll do what I tell them to do.
8436	That's all I can tell you for now.
8437	Tell me what you're talking about.
8438	Tell me what to do and I'll do it.
8439	Promise me you won't tell anybody.
8440	No one's ever told me that before.
8441	Let's not tell anybody about that.
8442	I've been told to get out of town.
8443	I'd like to tell you, but I can't.
8444	I promised I'd tell you the truth.
8445	I did just what you told me to do.
8446	I can't tell you how pleased I am.
8447	Don't tell me you didn't bring it.
8448	Didn't I tell you to stay at home?
8449	Can you tell me where we're going?
8450	Are you telling me you're worried?
8451	Now listen to me.
8452	Let me drive you.
8453	Lend me a pencil.
8454	Kick the door in.
8455	You'll be safe now.
8456	Is it all paid for?
8457	We've got to do it.
8458	We've all got ears.
8459	We're ignoring you.
8460	We'll be back soon.
8461	Remember your promise.
8462	We have to act fast.
8463	We have three hours.
8464	We couldn't do that.
8465	We got your message.
8466	We let ourselves in.
8467	He's jealous.
8468	Stay away from there.
8469	We'll stay and fight.

8470	You can stay with me.
8471	She's jealous.
8472	I'm sick of meetings.
8473	I'm sick of studying.
8474	We need a safety net.
8475	It's in a safe place.
8476	It's a lot safer now.
8477	We've all been wrong.
8478	We all know that.
8479	We all have jobs.
8480	I'm such a klutz.
8481	I'm out of sugar.
8482	I'm afraid to go.
8483	Why is it locked?
8484	I want to come back here.
8485	We need your key.
8486	I want to stay and watch.
8487	I want you to do nothing.
8488	Mary cooked an impressive dinner.
8489	I tried to do it quickly.
8490	I told you Tom was crazy.
8491	I told you it wasn't Tom.
8492	I told you it would work.
8493	I told you it was a risk.
8494	I told you I would do it.
8495	Isn't that your car, Tom?
8496	I go to the beach almost every day.
8497	I told Tom I was married.
8498	I think I need more time.
8499	I need five more minutes.
8500	I know that Tom is happy.
8501	I don't want you to stay.
8502	How are Tom and the kids?
8503	Your house is beautiful.
8504	You've got five minutes.
8505	You're wrong about this.
8506	You're right, as always.
8507	Can you see anything?
8508	You're a beautiful girl.
8509	You'll be late for work.
8510	You wouldn't believe me.
8511	You wouldn't believe it.
8512	Who told you about that?
8513	Can anyone confirm your story?
8514	Who can that be?
8515	I think Tom is drunk.
8516	Who could it be?

8517	What is it like?
8518	You must help us.
8519	You must help me.
8520	Can we talk here?
8521	We both miss you.
8522	We know it's you.
8523	We met last year.
8524	We can still win.
8525	We saw you on TV.
8526	We miss you, too.
8527	We both saw them.
8528	We can beat them.
8529	There was no one there.
8530	Have you brought help?
8531	Did you sleep in here?
8532	You need to stay here.
8533	What's your wife's name?
8534	What's Tom's blood type?
8535	What time's the meeting?
8536	My clock is five minutes fast.
8537	I don't drink a lot of beer.
8538	I'll play it safe.
8539	You're a romantic.
8540	I never get drunk.
8541	Here are the keys.
8542	Who did your hair?
8543	I'm pleased you're here.
8544	I'm on my way to Boston.
8545	I'm just obeying orders.
8546	Can you hang on a second?
8547	Can you handle a firearm?
8548	Most serial killers have experienced brutal childhoods, but very few people who experienced brutal childhoods later become serial killers.
8549	Tom wouldn't talk to me.
8550	Tom wouldn't hurt a fly.
8551	Tom wears a tie to work.
8552	Can I get your autograph?
8553	I know that Mary is pretty.
8554	I have to find another job.
8555	I got kicked out of school.
8556	I don't want to drink that.
8557	Are you asking me for help?
8558	Your thirty minutes are up.
8559	You were busy, weren't you?
8560	You said you were a doctor.
8561	You said that once already.
8562	Why is this cabinet locked?

8563	Why are you being so noisy?
8564	Why are you always so busy?
8565	Who was driving the hearse?
8566	Where have you been hiding?
8567	Where are your parents now?
8568	Now, please leave me alone.
8569	It's a foregone conclusion.
8570	We'll be needing your help.
8571	We're already good friends.
8572	You're curious, aren't you?
8573	You look uglier than usual.
8574	It's time for you to leave.
8575	I'd like to propose a toast.
8576	We've got a lot to sort out.
8577	We're not going to fire you.
8578	We're all being manipulated.
8579	They cannot be saved.
8580	She cannot be saved.
8581	We have to leave immediately.
8582	You probably think I'm crazy.
8583	We'll talk at dinner tonight.
8584	Tom wasn't expecting me.
8585	We don't talk like that here.
8586	Let's talk about your career.
8587	Everyone's talking about you.
8588	Why don't we break for lunch?
8589	Who told you about this cave?
8590	Tom turned on the water.
8591	What did you tell the police?
8592	Tell me what's going on here.
8593	I don't remember asking for it.
8594	I don't want you working there.
8595	You've been in Boston too long.
8596	You're not getting any younger.
8597	You know what to do, don't you?
8598	Would you mind if I left early?
8599	Why do I have to go to my room?
8600	I can't believe you would do something like that without telling me.
8601	I came to Boston three years ago and I've been living here ever since.
8602	Tom turned on the music.
8603	Tom said it was raining.
8604	Tom said he didn't know.
8605	Tom ran to the bathroom.
8606	Tom put on his raincoat.
8607	Tom opened the car door.
8608	Tom knows what he wants.
8609	Tom knows what happened.

8610	Were you on time for work today?
8611	Farewell, Cuba.
8612	You're not ready yet.

8819	I made a promise to them.
8820	I made a promise to him.
8821	I made a promise to her.
8822	They're mistaken.
8823	They went to bed late.
8824	May I sit down?
8825	Was he in the army?
8826	I don't even care if he hates me.
8827	I'm not sure of it either.
8828	Everything looks normal.
8829	It's thundering outside. I'm really scared!
8830	You must be careful when talking to a European.
8831	I was nervous and scared.
8832	Each movement of the dancer was perfect.
8833	A spider weaves a web.
8834	This doesn't seem to be a serious problem.
8835	I promise I'll be quiet.
8836	Tom must be Mary's boyfriend.
8837	Pack your bags.
8838	I don't want Tom to think he has to interpret for me.
8839	I may have to get rid of them.
8840	You may have to wait.
8841	I may have to fire Tom.
8842	I may have to help Tom.
8843	Tom says he'll go to Boston soon.
8844	Fill in this form.

8845	This book will transform your life.
8846	That's our policy.
8847	Speaking of Switzerland, have you ever been there in the winter?
8848	Speaking of Switzerland, have you ever been there in winter?
8849	Tom threatened to kill us all.
8850	Water is a transparent liquid.
8851	Are you leaving Boston?
8852	She paid a bill.
8853	I know what it's like.
8854	Tom hangs his clothes, then arranges them by color.
8855	That's kind of gross.
8856	Mary loves her pony and her pony loves her.
8857	Tom explained how the accident happened.
8858	I can't give up without a fight.
8859	Tom is getting scared.
8860	Tom has been beaten.
8861	Tom needs medical assistance.
8862	I think Tom knows things that we don't.
8863	He is not wearing a hat.
8864	Tom told Mary about his family.
8865	My car burns a lot of gas.
8866	How could you let Tom go?
8867	Would you like to see some of the videos we took on our trip to Australia?
8868	How much does electricity cost in eastern Germany?
8869	Acupuncture is a form of alternative medicine that's popular in East Asia.
8870	Where have you gone?
8871	My father has a red beard.
8872	Life is like a roller coaster ride.
8873	What is it you do?
8874	How would they know what to do?
8875	That was a big mistake.
8876	Tom has three other dogs.
8877	Tom is no angel.
8878	I left the room.
8879	Love is blind. Hate is also blind.
8880	He is unable to concentrate on his academic work.
8881	Tom is here because of me.
8882	Tom didn't touch anything.
8883	What a terrible waste!
8884	What is it you kids do?
8885	What is it you guys are doing?
8886	Cue cards are used primarily on television to help the actors remember their lines.
8887	Insects have six legs.
8888	Excuse me for one moment.
8889	Tom locked himself in his bedroom.
8890	My house is haunted.
8891	Unfortunately, she didn't come.

8892	Unfortunately, I don't have any money with me now.
8893	Tom saw something on the ground.
8894	Bergen is a Norwegian town.
8895	And the Oscar goes to Tom!
8896	After Tom won the Oscar, he thanked his wonderful wife, Mary, as well as his children and parents.
8897	She never thinks about him.
8898	He never thinks about him.
8899	Tom has a stomachache.
8900	Someone stole my umbrella at the bakery.
8901	When I kiss you, I forget the world around us.
8902	You're in bad shape.
8903	Why are you pouting?
8904	Why are you limping?
8905	We have an epidemic.
8906	I'm sorry I got mad.
8907	I'm so sick of this.
8908	Forgive me, my love.
8909	Does love exist?
8910	I have three more pages to go.
8911	I don't want to work for you anymore.
8912	I'm thinking of opening up a store.
8913	Tom spends a lot of time on the beach.
8914	Do you have a better explanation?
8915	Keep it together, Tom.
8916	Did you buy anything to eat?
8917	I don't know when I should be there.
8918	Mary bought some bread.
8919	Let's find out what the schedule is.
8920	Has Tom ever asked you to help him?
8921	Why did you ask?
8922	Do you have a problem with this plan?
8923	Do you have a problem with this, too?
8924	I can't solve this problem on my own.
8925	I think that's a part of the problem.
8926	It's going to be a problem, isn't it?
8927	Let's help them solve their problems.
8928	My problem is that I'm always hungry.
8929	Her father died last year.
8930	Now, let's discuss our other problem.
8931	Right now, we've got another problem.
8932	That's the answer to all my problems.
8933	There shouldn't be any more problems.
8934	We're having some equipment problems.
8935	You said that the problem isn't ours.
8936	We'll only have ten minutes in there.
8937	We're the only ones here from Boston.

8938	You'd be surprised what people think.
8939	You're not having much luck, are you?
8940	Everything can be used.
8941	You're not the only one who's afraid.
8942	You're not the only one who's hungry.
8943	I don't know what the problem is yet.
8944	I'm considering going back to Boston.
8945	I'm going to Boston for three months.
8946	Let's start with this bottle of wine.
8947	We have an obligation to do our best.
8948	We often spend the weekends together.
8949	Tom doesn't know who Mary is.
8950	Would you please keep the noise down?
8951	I haven't quite figured that out yet.
8952	I haven't looked inside this box yet.
8953	I haven't had this much fun in years.
8954	You guys won't believe what happened.
8955	You knew it would happen, didn't you?
8956	It's all happening a little too fast.
8957	We'll all be home in time for dinner.
8958	If you need me, I'll be in my office.
8959	I was afraid I'd never see you again.
8960	I don't think we're going to make it.
8961	We've been together for thirty years.
8962	It's getting kind of crowded in here.
8963	Please just tell me what's happening.
8964	Right now, there isn't much I can do.
8965	I've got a terrific surprise for you.
8966	I don't have time to worry about you.
8967	Don't worry. It won't take very long.
8968	Crime has often been related to poverty.
8969	How did you know I grew up in Boston?
8970	It's nice to see you haven't changed.
8971	Did you see the sunrise this morning?
8972	Let me know where you're staying, OK?
8973	You didn't really mean that, did you?
8974	Someone's got to be held accountable.
8975	What's wrong with the way I did that?
8976	You're not really a teacher, are you?
8977	We have a bit of a cash flow problem.
8978	You're my best friend here in Boston.
8979	I can't see anyone until after lunch.
8980	It's not always easy to stay healthy.
8981	I don't really want to talk about it.
8982	Let's talk about tomorrow's schedule.
8983	I haven't slept in forty-eight hours.
8984	You've got to help me learn to drive.

8985	I'm not just going to give it to you.
8986	You've got to give me another chance.
8987	You've given me a lot to think about.
8988	Come on, I'll buy you some ice cream.
8989	Do you know who bought your painting?
8990	Do you think I should buy this house?
8991	That's the reason I bought this book.
8992	Do you want to ask me some questions?
8993	I've found out what's been happening.
8994	I'd never let anything happen to you.
8995	I'm from China.
8996	I'm really sorry about what happened.
8997	It's going to happen again and again.
8998	What'll happen if I push this button?
8999	Why didn't you tell me what happened?
9000	You're a terrible judge of character.
9001	Do you have any idea what's happened?
9002	We know that's never going to happen.
9003	You didn't mention that on the phone.
9004	I was very concerned for your safety.
9005	Sit back down. We're not leaving yet.
9006	Do you think I'm stupid or something?
9007	I don't want to wear this stupid tie.
9008	Are you telling me you can't do that?
9009	Do you have anything else to tell us?
9010	Can you tell me what's going on here?
9011	Can you tell me who sold them to you?
9012	Can you tell the Jackson twins apart?
9013	Soon I will be very rich.
9014	March 14th is Pi day.
9015	Can't this wait until tomorrow?
9016	This mobile phone is really expensive.
9017	This is a top secret mission.
9018	We find the defendant, Tom Jackson, not guilty.
9019	Don't talk to me like I'm a child.
9020	Tom is afraid of showing his feelings.
9021	It's beautiful, isn't it?
9022	The moon, an old woman with no ears.
9023	Tom likes Mary. "I think that's obvious to everyone."
9024	Tom is walking his dog.
9025	He immediately called the White House.
9026	Tom poured himself a second cup of coffee.
9027	In case of fire, telephone the fire station.
9028	Tom never works on Sunday.
9029	There is a park behind the movie theater.
9030	He was absent from school yesterday because he was sick.
9031	An hydrogen atom only has one proton and one electron.

9032	Tom will be here in half an hour.
9033	I'm afraid that's the best I can do.
9034	I'm afraid you're wasting your time.
9035	I'm beginning to think you're right.
9036	I'm calling to tell you what I need.
9037	I was on a bike.
9038	Why would I lie?
9039	I like teaching.
9040	I've had my say.
9041	I'm going south.
9042	I hope I'm not disturbing you.
9043	I got over that.
9044	I can't be late.
9045	Stop by anytime.
9046	Let's slow down.
9047	I lied about it.
9048	Here's the milk.
9049	You can call me.
9050	It's just a toy.
9051	Look what I did.
9052	Does it look OK?
9053	It's cold now.
9054	I need to win.
9055	I do need you.
9056	I'm disgusted.
9057	We're waiting.
9058	We hit it off.
9059	I wasn't safe.
9060	Are you lucky?
9061	Can I do that?
9062	Can I go next?
9063	Can I go, too?
9064	Can I keep it?
9065	Can I stop by?
9066	Can I take it?
9067	Can we fix it?
9068	Do I look old?
9069	Do what I say.
9070	Get me a beer.
9071	Please let go.
9072	I let them talk.
9073	How thrilling!
9074	I'm miserable.
9075	I doubt that.
9076	I don't think you heard what I said.
9077	Why don't you come shopping with me?
9078	I knew this was too good to be true.

9079	I don't have time to deal with this.
9080	Do you think that's going to happen?
9081	I could hear sirens in the distance.
9082	You said you hated that, didn't you?
9083	We wanted the same thing you wanted.
9084	If you have any problems, I'll help.
9085	Let's discuss that problem tomorrow.
9086	Then we shouldn't have any problems.
9087	Then there shouldn't be any problem.
9088	There's never been a problem before.
9089	I guess they really weren't so busy.
9090	Why didn't you come the other night?
9091	We don't know anything for sure yet.
9092	There's something I want to ask you.
9093	I've only felt this way once before.
9094	I'm really going to miss this place.
9095	We'll make a soldier out of you yet.
9096	I'll talk with you about that later.
9097	There's nothing to be nervous about.
9098	I can't read Arabic script.
9099	I'm not feeling particularly hungry.
9100	She worked so hard that eventually she became ill.
9101	All you have to do is wash the dish.
9102	My shoes are worn out.
9103	You won't find it so easy next time.
9104	There's a big problem.
9105	Let me explain why.
9106	Tom decided not to go to the party.
9107	I think it's too late.
9108	What did you tell them?
9109	What did you tell him?
9110	I'm going to surprise him.
9111	Greed is the root of all evil.
9112	What do you feel?
9113	Tom turned off the light.
9114	Tom needs a rest.
9115	Show us the room.
9116	We can't save everybody.
9117	We can't save everyone.
9118	I ran outside and the door locked itself behind me. It was almost -40.
9119	Tom realized that he hadn't paid the bill, so he went back into the restaurant.
9120	I learn the language by myself.
9121	No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.
9122	What do you know about Boston?
9123	I saw you-know-who at the market today.

9124	Do you carry a weapon?
9125	Tom asked if I'd found my key.
9126	The boy put his hand in his pocket.
9127	Are there still wolves in Germany?
9128	You must stop.
9129	Please close the window.
9130	How do I eat without a spoon?
9131	We elected him captain of our team.
9132	When written as a numerical date, March 14, 2015 is 3/14/15, corresponding to the first five digits of pi (3.1415) - a once-in-a-century coincidence!
9133	Mary had a panic attack.
9134	We've been dating three years.
9135	So what happened here?
9136	How could this happen?
9137	And then what happens?
9138	So what happened next?
9139	It happened yesterday.
9140	It's already happened.
9141	Please come on Monday.
9142	That's a big question.
9143	I suggest you shut up.
9144	The price has gone up.
9145	Do you live in Boston?
9146	They were buying time.
9147	It was an impulse buy.
9148	Go buy a case of beer.
9149	The job is up for grabs now.
9150	I don't want to come back here ever again.
9151	We're not guilty.
9152	We need to begin.
9153	We need a ladder.
9154	We could all die.
9155	Was that a guess?
9156	Try to be strong.
9157	This room is hot.
9158	This is romantic.
9159	They need a hero.
9160	Take us with you.
9161	Take it easy, OK?
9162	See you in class.
9163	Put it on my tab.
9164	Mary is charming.
9165	Keep it a secret.
9166	She is careless about her attire.
9167	I assure you that isn't necessary.
9168	Tom carefully removed the letter from the envelope.
9169	I will tell you the rest tomorrow.

9170	I waited for a reply.
9171	I'm sure your intentions were good.
9172	It's still Monday.
9173	Where are my car keys?
9174	I'm the one who stole the painting.
9175	He has cancer.

9180	Put handcuffs on him.
9181	Jane asked Mary whether she'd like to stay at her place for the night.
9182	I never play the saxophone anymore.
9183	All we can do is to wait for him.
9184	Why did I read this?
9185	He is always finding fault.
9186	Galileo did not invent the telescope.
9187	It may indeed be strange, but that's the way it is.
9188	He killed himself.
9189	It's easy to remember.
9190	It's almost noon.
9191	I just want to be different.
9192	She wants to be different.
9193	He wants to be different.
9194	The school year ended.
9195	We kept it secret.
9196	How did you sleep?
9197	Could you shut up?
9198	Am I on that list?
9199	Does it upset you?
9200	Hand me the knife.
9201	I'm going hunting.
9202	Are you good at tennis?
9203	I lost my house keys.
9204	I am not working.
9205	He confessed to the murder.
9206	Our plan worked.
9207	Our plan has worked.
9208	This is a quiet street.
9209	They had breakfast.
9210	You're wrong not to trust Tom.
9211	You are losing blood.
9212	We're going to eat at a new restaurant tonight.
9213	Is it possible that you're wrong?
	Because zeal for Thy house hath eaten me up, and the reproaches of them that
9214	reproach Thee are fallen upon me.
9215	I'm dangerous.

9216	Let's draw straws.
9217	He is said to know a lot about Spain.
9218	I spoke to him.
9219	Tom is peeling the potatoes.
9220	You'll be safe here.
9221	You'll be safe there.
9222	Your sweater is inside out.
9223	Don't tell me to shut up.
9224	He was excluded from the team.
9225	He has something to do with the matter.
9226	She was in a silk dress.
9227	Tom doesn't allow his son to eat ice cream.
9228	This child aspires to become a lawyer in the future.
9229	The way you talk is going to get you in trouble someday.
9230	He was sure that he would make a new discovery some day.
9231	Is this valuable?
9232	I'm sleeping.
9233	He could not answer that question.
9234	Hearing the news, he turned pale.
9235	Hearing the news, she turned pale.
9236	When she heard the news, she turned pale.
9237	He deserves the punishment.
9238	Did anybody see Tom leave?
9239	She deserves this.
9240	They asked for my opinion.
9241	Do you want to see Tom again?
9242	I can't do it without a hammer.
9243	Tom has a large hunting knife in his right hand.
9244	I love my bisexual boyfriend!
9245	In protected areas hunting is prohibited.
9246	Some friends can't be replaced.
9247	We won the lottery.
9248	Don't shout at me.
9249	Racists are dumb people.
9250	There are dumb people like Dan everywhere.
9251	I want to correct this article.
9252	The entire house has burnt down.
9253	You need to leave.
9254	Did you know that before?
9255	Stop talking about the game.
9256	They look very busy.
9257	I'm speaking to you as I would to a friend.
9258	Tom was worried about Mary's safety.
9259	We saw them last night.
9260	I should be studying English, but I want to watch a movie.
9261	Somebody has to stop Tom.
9262	It's pretty clear we have a problem.

9263	Somebody will see us.
9264	Someone has to tell Tom.
9265	That's exactly what I said to Tom.
9266	Every year, Hawaii moves ten centimeters closer to Japan.
9267	We'll need their help.
9268	What was Tom doing at school?
9269	Good health is the most valuable of all things.
9270	Tom is looking for someone.
9271	Tom is talking to someone.
9272	Tom is waiting for someone.
9273	Is there anyone there?
9274	Everyone was looking at Tom curiously.
9275	Nobody's going to believe that.
9276	Nobody will believe that.
9277	Here's your drink.
9278	Now it's official.
9279	We're going out tonight.
9280	I was having lunch.
9281	I probably should have said something.
9282	We'll get there in time.
9283	Did you hear how quickly he speaks?
9284	I feel like you are laughing at us.
9285	You don't accept credit cards?
9286	What is inside the box?
9287	This extension cord is too short.
9288	I watched a great movie yesterday.
9289	I will call you tomorrow.
9290	What time did you go to sleep last night? "Around 2:30."
9291	So, what do you think of him?
9292	Many bats live in this cave.
9293	I'm sorry. I can't tell you.
9294	Spam used to be questionable food in a can. Now questionable sentences on a computer are called "Spam".
9295	Mary sent her letter to the wrong person.
9296	He is always busy.
9297	The kids jumped out of the car and started running.
9298	This offer is available for a limited time only.
9299	Sometimes, a small change can have a big effect.
9300	Hi, my name is Mary. How can I help you?
9301	My name is Tom. How can I help you?
9302	Why is space black?
9303	The Andromeda Galaxy, also called M31, is bright enough to be seen by the naked eye on dark, moonless nights.
9304	The man drinks water.
9305	Homework must be done by tomorrow.
9306	I must obey.
9307	Tom wanted to buy those sunglasses, but they were too expensive.

9308	Do you think it'll be easy to find a job in Boston?
9309	I have to get dressed now.
9310	Tom is helping his mother with dinner.
9311	Nobody'll ever find us here.
9312	You're not obligated to answer that question.
9313	You still haven't answered my question.
9314	I eat live rats.
9315	Would you mind if I asked you some questions?
9316	I was injured.
9317	Let's pitch the tent while it's still light.
9318	Do you help your wife at home?
9319	Can he drive?
9320	She doesn't know what to talk with him about.
9321	Don't wait up for me.
9322	Get some sleep, okay?
9323	Give me your shirt.
9324	Take a closer look.
9325	What were you afraid of?
9326	I will tell her what to say at the meeting.
9327	Kyoto is visited by many tourists.
9328	He has brought shame upon his family.
9329	Follow me.
9330	Her car broke down on the way.
9331	She deserves a better life.
9332	I'm hanging the calendar on the wall.
9333	I'm trying not to think about that.
9334	I don't know how, but you have to find a solution.
9335	I've got a thing I've got to go to.
9336	I've only been a teacher for three months.
9337	I'm trying to get my children back.
9338	It's the gold standard.
9339	What have you seen?
9340	I'm trying to tidy things up a bit.
9341	I have a better plan.
9342	What do they think?
9343	I'm very sorry about what happened.
9344	What are you worth?
9345	Why are pandas so cute?
9346	We were all scared.
9347	We need a strategy.
9348	We need a response.
9349	We drove all night.
9350	Was that your idea?
9351	Was it an accident?
9352	We'll be out of here in a few days.
9353	They were all here.
9354	Maybe it was a cat.

9355	Look at it closely.
9356	It's in the fridge.
9357	What could this be?
9358	What are you going to do in Boston?
9359	They may come back.
9360	Have a look around.
9361	This is much worse.
9362	My mind is made up.
9363	Would you pass the salt and pepper?
9364	You were so busy then, weren't you?
9365	How do you know I didn't volunteer?
9366	Tom doesn't have the answer to Mary's question.
9367	I don't know how big Tom's office is.
9368	I know everything that you've done.
9369	Tom saw him.
9370	I don't understand what's going on.
9371	Do you accept tips?
9372	I can't allow this.
9373	Did you steal this?
9374	How close are they?
9375	They live in tents.
9376	That clock is slow.
9377	Put down the rifle.
9378	I have to rehearse.
9379	How long was I out?
9380	We can make peaceful use of atomic energy.
9381	Stop playing around.
9382	Sorry for your loss.
9383	I don't understand what that means.
9384	Honey, are you here?
9385	I don't think that's necessary yet.
9386	Have you decoded it?
9387	Have you been there?
9388	I don't think that's going to work.
9389	Give them my number.
9390	Do you have the key?
9391	Did you have a date?
9392	Come to the meeting.
9393	Can you do anything?
9394	Aren't you a banker?
9395	I don't think that's a coincidence.
9396	Are you really busy?
9397	Are these your keys?
9398	Is that all we need?
9399	I don't remember seeing you before.
9400	Mary was late for dinner.
9401	Would you mind if I helped?

9402	I don't really approve of gambling.
9403	Don't buy me any more presents.
9404	I don't know if I should go or not.
9405	Why do you think I'm sitting here?
9406	I don't have to use that right now.
9407	Tom and Mary have a very complicated relationship.
9408	Don't believe anything Tom tells you.
9409	I don't know anything for sure.
9410	I hope your car doesn't get stolen.
9411	What would I do without her?
9412	What would I do without him?
9413	What would we do without her?
9414	What would we do without him?
9415	What would we do without them?
9416	What would you do without us?
9417	I won't leave without her.
9418	I won't leave without him.
9419	I won't leave without them.
9420	I felt lost without her.
9421	I felt lost without you.
9422	I can't do this without her.
9423	I can't do this without him.
9424	They left the room one by one.
9425	I can't do this without them.
9426	I woke her up.
9427	I woke him up.
9428	Something's worrying her.
9429	Sorry I couldn't save you.
9430	What were we afraid of?
9431	Tom and Mary married when they were young.
9432	He told me a completely unbelievable story.
9433	I wrote him a letter.
9434	I owe Tom money.
9435	I asked Tom where he had bought his boots.
9436	I work here now.
9437	I'm working here now.
9438	Tom is probably just jealous.
9439	Tom worked as a gardener.
9440	We were walking on the deck.
9441	Tom says it as it is.
9442	I can hardly believe this.
9443	Tom doesn't like the color of the walls in his bedroom.
9444	Have you seen my passport?
9445	I just want to apologize.
9446	Do you prefer cats or dogs?
9447	Water the plants.
9448	There's a problem I have to talk to you about.

9449	I wrote them a letter.
9450	A woman had a baby after receiving a womb transplant.
9451	Feel this.
9452	I wrote you a letter.
9453	I gave it to him.
9454	We'll save you a place.
9455	Nothing can save the Governor-General.
9456	Please save a seat for me.
9457	Are you sure Tom can do this?
9458	Have you come to save me?
9459	I'll save you a seat.
9460	Tom thanked Mary for saving him.
9461	Are you going to save us?
9462	Only peace can save the world.
9463	He gambled away his life savings.
9464	Protecting the environment means saving ourselves.
9465	I met with an old woman.
9466	Write her a note.
9467	Write him a note.
9468	We could write her a letter.
9469	We could write him a letter.
9470	We could write them a letter.
9471	I could write her a note if it would help.
9472	I could write him a note if it would help.
9473	That's what makes me nervous.
9474	I'd prefer that you stay home tonight.
9475	I had a bad cough, so I took the bitter medicine.
9476	Tom had no idea Mary was sick.
9477	There is no TV in my room.
9478	I thought it might save time.
9479	I didn't save anyone either.
9480	He is a screwball.
9481	Admission is free on Sundays.
9482	Tom says he doesn't know anybody here.
9483	Write Spanish.
9484	You must record his speech.
9485	I think we can trust her.
9486	I think we can trust him.
9487	He's in danger of being evicted.
9488	Tom said not to worry about him.
9489	Are you new here?
9490	We have a lot of things we need to do today.
9491	I'd strongly advise against doing that.
9492	We'll always be together.
9493	I want to see my kids.
9494	You're a talented writer.
9495	There is a bench under the tree.

9496	We should read as many books as possible.
9497	I learned to drive a car and got a driver's license when I was eighteen.
9498	The flowers in the garden are very beautiful.
9499	I immediately thought of you.
9500	It's a sunny day.
9501	Hard work never hurt anyone.
9502	Please turn down the music.
9503	Tom is extremely outspoken.
9504	We have a visitor.
9505	Nobody showed up.
9506	I always liked her.
9507	According to the weather forecast, the typhoon is approaching Okinawa.
9508	Why wait for Christmas?
9509	Tom knows that Mary doesn't love him anymore.
9510	Tom was walking slowly with his head down.
9511	I warned you that Tom was coming.
9512	I almost died a year and a half ago.
9513	She explained to me how to make a cake.
9514	The literal translation for the Spanish word "chupacabra" is "goat sucker."
9515	The weather is very cool here because it rains often.
9516	He is lying on the baby.
9517	Do you think that's bad?
9518	I feel like I'm stealing your sentences.
9519	It's hot today.
9520	He has promised never to be late again.
9521	Tom never remembers my name.
9522	I kept the \$20 I found in the street.
9523	We'll meet up with him later.
9524	We'll meet up with you later.
9525	My dream is to study French in Paris.
9526	Taking off is easier than landing.
9527	I thought you'd already made a decision.
9528	I thought you didn't know where Tom was.
9529	What do you think of my new hat?
9530	I'll go with Tom and Mary.
9531	Is there salt left?
9532	This school is ours.
9533	Bill brought me this book.
9534	That's why he did not go overseas to study.
9535	I'm surprised to see you.
9536	He wasn't expecting to see you.
9537	Do you get enough sleep?
9538	Tom lost his job.
9539	Tom has lost his job.
9540	Mary has nobody to talk with, but she doesn't feel lonely.
9541	I don't feel like going to school today.
9542	I can't work with you.

9543	I can be there in 30 minutes.
9544	I want to take advantage of it.
9545	I was with him.
9546	Tom wore the same pair of jeans the whole year.
9547	I shower every day.
9548	Tom offered me a cookie, but I refused.
9549	Did she have any enemies?
9550	Did he have any enemies?
9551	You must believe me.
9552	Nobody is allowed to leave the classroom until the bell rings.
9553	I was with them.
9554	I was with her.
9555	We used to be close friends.
9556	What was the time of death?
9557	I spent the weekend with her.
9558	I spent the weekend with him.
9559	I'll work with her.
9560	I'll work with him.
9561	The crime was almost perfect.
9562	I don't even like him.
9563	I don't even like her.
9564	I don't even like Tom.
9565	I'll work with them.
9566	Tom dressed like a girl for Halloween.
9567	I need to borrow three hundred dollars.
9568	I need to borrow your car for a few hours.
9569	I need to borrow your car.
9570	He put on his gloves.
9571	Tom is too old for Mary.
9572	Forgive me if I have offended you.
9573	I didn't want to take all the money.
9574	How many times have you seen this movie?
9575	How long have Tom and Mary been married?
9576	We climbed to the top.
9577	Where are your parents?
9578	Did you buy them on the black market?
9579	Tom had no idea who you were.
9580	Tom was wearing John's pajamas.
9581	Tom said you wanted to see me about something.
9582	Tom hasn't yet told Mary about what happened.
9583	That's what I can't understand.
9584	Tom didn't tell the truth.
9585	Please wake me up at seven tomorrow morning.
9586	Tom is very popular.
9587	Tom is unpopular.
9588	Tom is picky about what he wears.
9589	Be careful with that knife.

9590	How do they put up with you?
9591	Tom and I are still friends.
9592	Tom always tries to have his own way.
9593	The god of the Old Testament is a blood-thirsty tyrant – petty and vengeful.
9594	The diameter of the hole was slightly larger.
9595	You don't have to go to school anymore.
9596	At least, I think so.
9597	Tom thinks he knows where to find Mary.
9598	Tom seems to be a bit taller than Mary.
9599	Could it be worse ?
9600	Tom asked Mary a lot of questions, but she refused to answer some of them.
9601	I'm so glad you decided to come.
9602	They will vote.
9603	I was with her last week.
9604	It's a wonderful day for a picnic.
9605	I can't work with her.
9606	I thought you already have a job.
9607	I am baking bread.
9608	Tom is obviously upset with Mary's behavior.
9609	I'm just looking for my friends.
9610	Did you ever work with her?
9611	I want to have a word with him.
9612	I want to have a word with them.
9613	I was with her last night.
9614	We have counted most of the votes.
9615	Don't forget your ticket.
9616	Give me your wallet.
9617	Tom doesn't always come home this late.
9618	Tom comes here every day at about 2:30.
9619	Tom bought this house thirty years ago.
9620	Nobody told me what time I should come.
9621	I'm trying to find out why it happened.
9622	I'm trying to find out how it happened.
9623	I'm the one you talked to on the phone.
9624	I'm sure you heard about what happened.
9625	I'm sure Tom is grateful for your help.
9626	I'm sure Tom is glad that Mary is here.
9627	I'm sorry, but there's no other choice.
9628	I'm sorry, but I don't know what to do.
